

Dear Teachers,

On behalf of the Old Dominion University Fashion Academy, I would like to inform you and your students about our corporate sponsored scholarship opportunities. We have been working with local businesses to develop a variety of scholarships for students in the Hampton Roads area. We will now be able to offer partial and full scholarships to a select group of students that wish to participate in the Fashion Academy.

The Fashion Academy provides the opportunity for high school students to explore fashion education in a collegiate environment. There are limited amounts of scholarships available, therefore students of interest are required to complete the attached scholarship application. Within the scholarship application students must submit a short essay describing how the Fashion Academy will influence their future educational pursuits in fashion.

The application deadline is June 8<sup>th</sup> and students will receive a scholarship confirmation email by June 12<sup>th</sup>. If you or your students have any questions please contact me via e-mail at [tmachado@odu.edu](mailto:tmachado@odu.edu) or 683-4305. Please assist in our efforts at the Fashion Academy by passing on this great opportunity to your students.

Sincerely,

Tiffany Machado

A handwritten signature in black ink that reads 'Tiffany Machado'. The signature is written in a cursive, flowing style.
